STARLIGHT HOLIDAYS

3★ EQUATOR VILLAGE

Includes: Return SAA flights ex JNB; Return hotel transfers; 7 days , 5 nights accommodation; meals daily as specified

Equator Village is not your typical Maldivian resort; this is an escape into a land of culture and nature entwined together. The resort is vast in size, with a forestry of green, large trees looming overhead. This makes for incredible bird watching in the evenings and early mornings as trees are busy with the 'Dhondheeni' who call these their home. Only a short distance away from the rooms are soft sandy beaches and inviting turquoise waters. With the unique blend of beauty and endless possibilities for adventure, Equator Village is the ideal getaway for those who wish to experience a different side of the Maldives.

EQUATOR VILLAGE ROOMS

The rooms are cosy, spacious and designed to give you the most comfortable nights' sleep. The resort offers 78 comfortable standard rooms. Each room opens up to lush vegetation, where guests can relax and read a book on the balcony. The rooms are separated by green shrubs blooming with tropical flowers.

FEATURES

Elegant bathroom with shower | WIFI internet access | Air-conditioned rooms

In the southernmost atoll of the Maldives lies the idyllic Canareef Resort Maldives. Situated on an island spanning 4.5km, it is the longest resort island in the country. Experience the natural beauty of the island and its world class facilities, explore its neighbouring islands: Hulhu Meedhoo and Gan. Go beneath the waves; the resort is in proximity to the largest shipwreck in the country, the British Loyalty and home to 25 dive spots frequented by manta rays and dolphins all year round. Indulge in the multitude of activities the resort has on offer. Leave your inhibitions at home and “Step Out of The Blue” with us.

SUNRISE VILLA

Individual bungalows on the eastern side of the island offering a beautiful view of the ocean and with a private, enclosed backyard. Enjoy fresh breeze while you serenade in the sound of the waves and admire the view beyond the horizon of the Indian Ocean.
